

Managing your Anthem benefits is easier with EmployerAccess

Handling benefit administration tasks can be time consuming. With our EmployerAccess online tool and app, you can take care of your health benefits easier and quicker.

Manage your health plan conveniently

- Take care of benefits transactions quickly, accurately, and securely.
- Add new members and dependents in minutes.
- View plan and benefits details.
- Edit employee information, like canceling or changing coverage.

View and pay your bill securely

- View and pay bills or set up a recurring payment to save time.
- See the amount due for the current month and a summary of the previous month.
- See details on any adjustments, such as late fees, or reinstatement fees.

Enroll employees quickly

- Manage annual enrollment faster with our online enrollment tool, Online Census Enrollment.

How to register

You have two ways:

1. Go to <anthem.com>, choose **Employers > Employer Overview**. Look for the **Register Now** button and enter your account information.
2. Download the app by searching for “EmployerAccess” at the App Store® or Google Play™.

We are here to offer you solutions that give you more time back in your day. For more information about EmployerAccess, please contact your broker or Anthem Sales representative.
