# How to Host a Trunk

---

*Event will take place in  
the South Pointe  
Hospital Parking lot*

---

The Pediatrics Club at OUHCOM is thrilled you're thinking of hosting a trunk! This document will walk you through what to expect, ideas to fill your trunk, and theme ideas for your trunk. If you have any questions after reading this document, feel free to reach out to Haley Mehalik, OMS-II at [hm782610@ohio.edu](mailto:hm782610@ohio.edu)

## What to Expect

We are hopeful to have a turnout of at least 350 children. Last year we had roughly 200 children in attendance.

Plan to have enough of whatever you decide to hand out for **350 children**. If you have an item, but a limited quantity, bring some backup candy as support.

Trunks are best if there are 2-5 people working together at the event.
